Christmas in 2002

On December 25, 2002 My mom went to get the Christmas tree from all the stuffs in the back yard where there's a little room where you can keep your stuff in. My mom got the Christmas and took out everything in it. First, she took out the pieces of some that look like branches and leaves. She set it up and it was done and put decorations on for the tree. It was done. We go to Wal-Mart to buy some things, like shampoo, clothes, etc., etc. We went past the toys and my L. Brother and sister want one.
My sister wants a cash register and my brother want a microwave. My mom said "no" and we left. When we got home, the presents were there. My brother got a cash register and my sister got a microwave. I got clothes and got a new controller and a memory card. I was glad. My mom got some clothes. It was the best Christmas ever. In 2003, my dad got a box of gloves and my brother got Penny Racers. It was the best Christmas ever in 2002 and 2003.
