When I was in kindergarden I liked watching Power Rangers. I thought that it was realistic and the monsters were real. Now I hate the Power Rangers. The fighting and costums are fake looking. The shows I use to watch were probly worse than the new shows.

I loved eating sugar from the bage when I was in Elementery school. When my mom was gone and my dad feed use breakfast he let us have anything we wanted. I alway got the brown suger and my brother got the regular sugar. Now that I am older I would rather have waffles or normal food.
