Mathematical Thinking for Instruction:

Grades K-3

(MTI K-3)

Pocatello

Professional Development Application

Course Requirements

Participants will receive 3 credits for taking the MTI course. These credits will be paid for by the Idaho State Department of Education. For more information visit: www.sde.idaho.gov.

Please refer to the Idaho Department of Education website for more information on the selection process. http://www.sde.idaho.gov/site/math/math_initiative.htm

Classes will meet Tuesdays Oct. 13 through Nov. 10 from 4:30pm – 9:00pm and on Saturday Oct. 17 and Saturday Nov. 14 from 8:30am – 4:30pm.
A specific location in the Pocatello area will be determined and announced at a later date

All participants are expected to attend all class meetings. If you must miss a class meeting, please make arrangements ahead of time with the instructor as soon as possible. **Missing more than one class meeting (or half of a Saturday class meeting) will result in the participant having to withdraw from the course and take it at a later date.**

The course is very intensive. In addition to attendance, there will be reading assignments to be completed between each class meeting. All coursework must be completed by the end of the last class meeting.

Teachers will also be responsible for taking a pre-inventory of items related to mathematical knowledge for teaching at the beginning of the course and a post-inventory after the course is complete. The results of this inventory will be kept strictly confidential and used only by IDMT staff for research purposes.
