If I could visit any place in the world right now it would probably be Seattle, Washington. I have already been there many times before but it is a truly magical place. It is full of wonderful people, and great history. I am a huge sports fanatic so it's very nice that Seattle has several professional sports teams. Seattle is the place I want to visit.

The first reason I want to go to Seattle is all the history it has. It amazes me how many world famous establishments were founded there. A few of Seattle's establisments are Starbuck's Coffe, Hostess co., and Microsoft. Whenever I go to Seattle I always drive by Starbuck's Headquarters. All of Seattle's history helps me relive how life was years ago.

Another reason I want to go to Seattle is all the wonderful people that live there. Every time I turn around, I see people giving change to the poor and needly, and someone helping an elderly peson cross the street. I

even see a plethora of certain sales that raise money for many causes that raise money for things that help the community. Seattle's people really cheer me up.

The last and certainly not least reason I want to go to Seattle is because I was born there. When my mom was pregnant with me in Boise, Idaho, she and my dad both agreed to visit Seattle until I was born. My mom and dad both absolutely love Seattle and they wanted me to be born there. I truly love Seattle and am glad I had the opportunity to be born there. I love Seattle because it is my home town.

Going back to the Bahamas has been a dream of mine ever ~~scince~~ scince I left. We took a cruise so would not have to sit on a boring old plane to go. We got to meet so many new people.

Going there was the most fun I have ever had in my life. We meet some people who we hung out with the rest of the time on the ship. Second there was endless thing to do there was; mini golf, a arcade, parties, pools, hot ~~tubes~~ tubs, water slides and ~~to~~ much more. ~~There~~ Theird we got to stay out aslong as we wanted. There was a food bar all was open and Ice cream machine runhing 24⁷. And the bar was open all night long so we were

always hyper. The whole time we were there we never got board. ~~F~~ ~~forth~~ Last, there was some bad things but we still had fun. Like I smashd my fingers in a elevator door. But it was all fun.

It was very sad when we had to go home. But we all had fun and it was time to go home. I am still wishing I could go back.
