### Notes:
- Strengths: Very strong course. Great supplemental materials. Appropriate grade levels.
- Weaknesses: Test booklet is not practical. Need materials on a DVD. Sequencing of two chapters seems strange to the way we teach the course, but workable.

### Key Features:
AAA’s How to Drive is a very customizable and easy to use classroom curriculum with the ability to handle up to 40 hours of classroom instruction.

The key features are as follows:
- Easy to use How to Drive Instructor Guide contains: 450 customizable PowerPoint slides, Chapter Quizzes for each of the 17 chapters including the course Final exam.
- 3.5 hour video content filmed in 2012 (English, Spanish and Closed Captioned)
- Up to date content covering distracted driving, texting and other relevant topics.
- Easy to use and customize by the Instructor to fit their particular need and style. Student manual is easy to read and contains colorful graphs, and images to depict the content. Not a text heavy book.
