

### Chinese 9-12 Programs

Publisher	Title of Material	Author	Copyright	Grade Level	ISBN	Recommendation
WHHS Education (Sinolingua)	<b>Voyages in Chinese Student's Book 1, Revised edition</b>	Xiaoqi Li	2017	9	9787513813303	<b>Comprehensive World Languages</b>
	<p><b>Notes:</b>  <b>Strengths:</b> 1. All contents/themes are consistent throughout the three students. 2. ACTFE standers/5Cs standers are consistently shown and good alignment with every session through different topics. 3. All four skills – listening, reading, speaking and writing are equally well designed. 4. All Student's Book1, 2, 3 are clearly showed language learning growth with proper efficiency level. 5. All tasks in Student's Books and Work Books are properly reflected what is been talked and they are all hand-on and fun activates. 6. Culture topics presented very accurate and strong.  <b>Weaknesses:</b> 1. Student's Book 1 needs to be heavily focused in Pinyin skill. 2. The text of every unit needs to have Pinyin content. 3. For writing assessments in Student's Book 1 &amp; 2, less translation, more creating writing.  <b>Other:</b> We suggest add a vocabulary work book for each level, in the vocabulary workbook, it needs to have Pinyin, character writing stroke orders and radical recognition.</p> <p><b>Key Features:</b>                      The Voyages in Chinese Series is designed as a comprehensive program for secondary school students. Each level includes a Student's Book, a Workbook and a Teacher's Book. The program also includes Word Cards and PPT Courseware to further increase the convenience of teaching and self-study.                      The program is organized with a topic-oriented structure that takes the language as its core and cultural contents as its key elements. Thus the program includes both comprehensive language knowledge and enriched cultural content. Some key feathers of the program are:                      --Aligns with ACTFL Proficiency Guidelines and Idaho Content Standards for teaching foreign languages.                      --Employs a communicative, functional and task-based language learning approach.                      --Presents authentic target language with rich cultural materials, aimed at cultivating student's cultural awareness and expanding their cultural visions.                      --Topics are interesting and age appropriate, from student's daily lives and include realistic scenarios, thus allowing students to have an engaging learning experience while effectively integrating vocabulary, grammar and Chinese culture together.                      --Illustrations have been created by professional designers, tailored to the tastes of today's teenagers.                      --Clear learning objectives and grammar instruction for each lesson</p>
