	<b>Notes:</b> In terms of writing, this text would be a great supplemental resource, but lacks grammar and mechanics.						
	<b>Key Features:</b> <i>Strategies for Writers</i> is a complete writing and grammar program that prepares students to be confident, proficient, and effective 21 <sup>st</sup> century writers, ready for college and/or career. A consistent, straightforward lesson structure begins with genre-specific rubrics and student writing partners who complement teacher instruction and guide students through the writing process. Through six-trait, rubric-based instruction within a writing process approach, students write Narratives, Informative/Explanatory pieces, and Opinions or Arguments. The blend of integrated print and online resources allows teachers to customize lessons and differentiate instruction to meet student needs. Easy-to-use technology tools and games encourage student engagement in writing and grammar.
