Holt McDougal	Holt McDougal, The Americans, Student Edition	Danzer, Klor de Alva, Krieger, Wilson, Woloch	2009	9-12	9780618916290	97%	
	<p>Notes: High Readability. Key Features: Explores the story of United States history, weaving the reflections of people who experienced history firsthand throughout the narrative. Thought-provoking lessons make history human and relevant to students' everyday lives, helping them to realize the richness of our nation's history. The Americans, as its name suggests, focuses on the human face of history. When students dig into the events and see the people clearly, history for them will be more real, more accessible, and more exciting. History comes alive when students are actively involved in their own learning. As students make connections between the past and the present and as they think about how historical events have influenced their lives, they imagine how lives might have been affected if events had happened differently. Incorporates a variety of materials and models that help students develop the thinking skills that are crucial to successful learning and help them become motivated and active thinkers.</p>

Holt McDougal	Holt McDougal American Anthem, Student Edition	Ayers, de la Teja, White, Schulzinger, Wineburg	2009	9-12	9780030994555	100%	
	Key Features: A program that brings history to life with an engaging narrative and instructional visuals. The Inside Story introduces each lesson with “a story behind the story” that examines key events and defines them in compelling human terms. Dynamic maps and Quick Facts charts offer a way to engage students and review key content and bring the people, places, and concepts to life. Integrates reading strategies and fosters comprehensive skills development. Prepare to Read lessons focus reading skills and a unique document-based instructional strand encourages the investigation of history and prepares students to succeed on tests. Special features on geography, political cartoons, and supreme court cases encourage critical thinking.
