

Curricular Materials and Online Resources Adoption Schedule

Approved materials are listed by content areas at:

http://www.sde.idaho.gov/site/curricular_materials/adoption_guide.htm

The adoption process is currently a six (6) - year adoption cycle. It is recommended that local school districts wait to purchase new curricular materials (textbooks) until after the main subject adoption year of the State Adoption Schedule & after effective contract date with the publishing companies. This assures that schools will purchase state approved materials at contracted prices.
