

Animal Life Cycle

My Checklist

Activity	Finished	Started	Not Yet
I read and marked a life cycle story about my animal.			
I have a picture dictionary.			
I watched a video about my animal's life cycle.			
I made a See, Think, Wonder, Chart			
I used information about my animal's life cycle to make a graphic organizer.			
I added pictures to my graphic organizer.			
I used information from my graphic organizer to write a 1 st draft.			
I asked my teacher and group to edit my writing.			
I did my best to write a final draft.			
I illustrated my final draft.			
I worked with my group to put our ideas in a PowerPoint draft.			
We made a PowerPoint.			
I read part of my writing to tell about the PowerPoint.			

If you look back at your research, why do you think animals change over time?
