

Name _____

Final Project Planning Sheet

PART A

1. _____

2. _____

3. _____

4. _____

5. _____

6. _____

7. _____

1. Make a list of the top 7 traits that makes a hero

2. Now cross out three traits.

3. Finally cross off ONE MORE.

4. Circle your top THREE heroic traits.

5. Examine your top THREE traits and brainstorm some heroes that we discussed, or other heroes, that possess those traits.

Trait:	What Heroes Might Relate:
1.	1. 2.
2.	1. 2.
3.	1. 2.

6. Circle the final project ideas you might be interested in:

- Google Slide Presentation
- Making an Information Video (iPad)
- Written Essay
- Write a Song/Rap to perform
- Make a storybook or comic strip

PART B-

Next to each requirement from the rubric, write an idea of how you will accomplish that in your project.

Project you will complete: _____

	Write how you will provide this in your project
Student addresses the question: "How can a hero also be a villain?"	
Student cites evidence from at least two texts to explain their ideas.	
Student chooses supportive details that are accurate, interesting, and appropriate.	
Student provides a written explanatory component with the final project. <i>For example: written words on google slide pages, a script detailing video speech, written essay or lyrics, written words in story form, or written words with comic strip.</i>
