

# BLOG FEEDBACK STARTERS

## Focus on Praise

### 1. What I noticed about your blog....

**Example:** ...is that it is very descriptive and hits all the points of the criteria.

### 2. When you \_\_\_\_\_ in your blog, it makes me \_\_\_\_\_.

#### **Examples:**

When you provided the pictures of the castle, it makes me be able to really understand the true size of it.

When you used such descriptive language, it makes me feel like you were really there.

## Focus on Areas of Growth

### 1. If you \_\_\_\_\_, it would \_\_\_\_\_.

**Example:** If you provided more information about the activities, it would be clearer to me what is actually happening at *[the event]*.

### 2. Have you considered \_\_\_\_\_?(Choose something VERY specific that will help your classmate improve his/her blog.)

#### **Examples:**

Have you considered looking at more websites for more information?

Have you considered including more pictures to help the reader visualize this event?
