Learning about the personal histories of Holocaust victims:

Go the following website: <http://www.ushmm.org/remember/id-cards>

1. Select an Identification Card. You may want to choose a person who is the same sex as you.

2. Read the information presented. Each identification card has five sections: 1) a picture with name, birth date, and birth place; 2) biographical sketch; 3) experiences from 1933 – 1939; 4) events during the war 1940-1944; 5) fate of the individual. *Note: a few cards differ because of length of life.*

3. Fill out the following information:

A. Whose ID card do you have? _____

B. When was your person born? _____

C. In what country was your person born? _____

D. Mark the country your person was born in on your 1933 Map of Europe as close as you can.

4. In your own words describe an interesting detail from your person's personal history before 1933.

5. In your own words describe a detail from 1933 – 1939. (Years after Hitler came into power before WWII)

6. In your own words describe a detail from 1940 1945. (During WWII)

7. In your own words describe a detail after 1945. (After WWII)
