

Assignment #8

Revising our Writing

Directions: Today will be the fifth time you will check in with your partner. You will read your feedback. You will conclude by asking any further questions you may have. Any further interactions will need to be done on your own time...our next interaction will be to share our final drafts.

Tasks:

Fairmont Junior High School
Open your shared CONVERSATION document. Review your norms and etiquette (page 99) and make sure you abide by them.
Open your poem and the poem shared by your partner.
In your CONVERSATION document, respond to any new information shared by your partner.
Answer any more questions your partner may have asked.
Look at your partner's response to the poem you wrote to get ideas for revision.
Read the poem and the questions your partner asked. Answer the questions and make comments on the poem (use commenting).
Let your partner know if they've captured you and your voice, or if there are areas they can add details or change details. Be positive in your responses and give specific ideas to your partner.
