

**Idaho Coaching Network  
Teacher Leader (C6) Request for Participation**

Thank you for your interest in becoming a Teacher Leader in the Idaho Coaching Network. Please be sure you understand the teacher commitments before completing and returning the Request for Participation form.

**Teacher Leader Commitments (Cohort 6):**

- Participate in a total of 15 full-day workshops and an online course throughout 2018-2019:
  - Participate in a 3-day workshop in Summer 2018;
  - Complete all assignments in an online course in order to transfer learning to lessons and units;
  - Develop and submit a unit for review and to share with others (August 2018 - January 2019) that integrates the Idaho Content Standards for ELA/Literacy. Teach the unit, reflect, revise, and collect a range of student work samples;
  - Participate in eight full-day workshops during the 2018-2019 school year, starting in September;
  - Participate in a 4-day professional development workshop during Summer 2019.
- Review three units for other Teacher Leaders in the Idaho Coaching Network with the EQUiP Rubric;
- Transfer active learning strategies to both classroom practice and unit planning;
- Receive coaching support/classroom visits from your region's coach;
- Facilitate professional development through active learning in your school and/or district and take on or deepen a leadership role;
- Keep and submit a Web of Impact;
- Complete pre- and post-surveys on teacher self-efficacy and provide feedback on courses, workshops, and facilitation as a means of reflection.

**NOTE:** Teacher Leaders in the Idaho Coaching Network will receive six (6) graduate-level credits from Boise State University or University of Idaho or a \$1,000 stipend from the SDE and five (5) continuing education credits (with an option of five additional credits paid for by the teacher) from BSU/U of I. Teacher Leaders who opt for the latter option (stipend and PD credits) will also have the opportunity to pay for additional continuing education credits if they so choose. Districts will be reimbursed for all eight (8) days at the rate of \$70/day.

You may attach a separate page if necessary. **Please check with each regional coach for Participation Request form due dates.** Teachers may self-nominate but **must have district-level approval.**

**Please email your completed application to:**

Why are you interested in becoming a Teacher Leader in the Idaho Coaching Network?

What work have you done individually or with others to implement the Idaho Content Standards in English Language Arts (ELA)/Literacy? What other thinking partners (Idaho Coaching Network Teachers, colleagues, etc.) in your school or district could you work closely with this year as you participate in the Idaho Coaching Network?

### **Idaho Coaching Network**

How do you envision this experience helping you to incorporate the Idaho Content Standards for ELA/Literacy into your classroom, school, and district? What hopes or goals might this opportunity help you realize?

Are you willing to facilitate professional development in your school and/or region?                      Yes      No

The position requires each Teacher Leader to play a leadership role in facilitating professional development and mentoring other teachers. Describe your current comfort level with such a role and/or your willingness to learn:
