### Comprehension and Collaboration

**CCRA.SL.1 Prepare for and participate effectively in a range of conversations and collaborations with diverse partners, building on others' ideas and expressing their own clearly and persuasively.**

- **SL.K.1** Participate in collaborative conversations with diverse partners about kindergarten topics and texts with peers and adults in small and larger groups.
  - a. Follow agreed-upon rules for discussions (e.g., listening to others and taking turns speaking about the topics and texts under discussion).
  - b. Continue a conversation through multiple exchanges.

- **SL.1.1** Participate in collaborative conversations with diverse partners about grade 1 topics and texts with peers and adults in small and larger groups.
  - a. Follow agreed-upon rules for discussions (e.g., listening to others with care, speaking one at a time about the topics and texts under discussion).
  - b. Build on others' talk in conversations by responding to the comments of others through multiple exchanges.
  - c. Ask questions to clear up any confusion about the topics and texts under discussion.

- **SL.1.2** Ask and answer questions about key details in a text read aloud or information presented orally or through other media
  - a. Follow agreed-upon rules for discussions (e.g., listening to others with care, speaking one at a time about the topics and texts under discussion).
  - b. Build on others' talk in conversations by responding to the comments of others through multiple exchanges.

**CCRA.SL.2 Integrate and evaluate information presented in diverse media and formats, including visually, quantitatively, and orally.**

- **SL.K.2** Confirm understanding of a text read aloud or information presented orally or through other media by asking and answering questions about key details and requesting clarification if something is not understood.

- **SL.1.2** Ask and answer questions about key details in a text read aloud or information presented orally or through other media
  - a. Follow agreed-upon rules for discussions (e.g., listening to others with care, speaking one at a time about the topics and texts under discussion).
  - b. Build on others' talk in conversations by responding to the comments of others through multiple exchanges.

- **SL.1.3** Ask and answer questions about what a speaker says in order to gather additional information or clarify something that is not understood.

- **SL.2.1** Participate in collaborative conversations with diverse partners about grade 2 topics and texts with peers and adults in small and larger groups.
  - a. Follow agreed-upon rules for discussions (e.g., gaining the floor in respectful ways, listening to others with care, speaking one at a time about the topics and texts under discussion).
  - b. Build on others' talk in conversations by linking their comments to the remarks of others.
  - c. Ask for clarification and further explanation as needed about the topics and texts under discussion.

- **SL.2.2** Recount or describe key ideas or details from a text read aloud or information presented orally or through other media.

**CCRA.SL.3 Evaluate a speaker's point of view, reasoning, and use of evidence and rhetoric.**

- **SL.K.3** Ask and answer questions in order to seek help, get information, or clarify something that is not understood.

- **SL.1.3** Ask and answer questions about what a speaker says in order to gather additional information or clarify something that is not understood.

- **SL.2.3** Ask and answer questions about what a speaker says in order to clarify comprehension, gather additional information, or deepen understanding of a topic or issue.

- **SL.2.2** Recount or describe key ideas or details from a text read aloud or information presented orally or through other media.

Second grade students should also be able to listen carefully to a text read aloud and to recount or describe details about what they heard. Students need to ask questions and understand and answer questions asked of them in order to clarify or gain more information.

**Presentation of Knowledge and Ideas**

- **CCRA.SL.4 Present information, findings, and supporting evidence such that listeners can follow the line of reasoning and the organization, development, and style are appropriate to task, purpose, and audience.**
  - SL.K.4 Describe familiar people, places, things, and events and, with prompting and support, provide additional detail.
  - Kindergarteners should be able to report facts and relevant details about an experience. This should be done orally, with some detail, and with clarity of thought and emotions. They should be able to add visual displays to illuminate chosen facts or details. In order to do so, students will need multiple opportunities to present information to others and develop behaviors that will lead to the ability to add appropriate visual displays. Students will need to engage in behaviors that lead to the natural expression of ideas both verbally and in writing: turn and talk, small group discussion, and emergent listening and speaking learning centers. Students will also need a purposeful focus throughout ELA on choice-making.
    *For example, kindergarten students need to be able to choose visual displays that add to and support their asking questions that are on topic. They also need to know strategies for understanding and answering questions asked of them.*
  - First grade students should be able to report facts and relevant details about an experience. This should be done orally, with some detail, and with clarity of thought and emotions. They should be able to add visual displays to illuminate chosen facts or details. In order to do so, students will need multiple opportunities to present information to others and develop behaviors that will lead to the ability to add appropriate visual displays. Students will need to engage in behaviors that lead to the expression of complete ideas both verbally and in writing. Students will also need a purposeful focus throughout ELA on choice-making.
    *For example, first grade students need to be able to choose visual displays that order to clarify or gain more information.*

- **CCRA.SL.5 Make strategic use of digital media and visual displays of data to express information and enhance understanding of presentations.**
  - SL.K.5 Add drawings or other visual displays to descriptions as desired to provide additional detail.
  - SL.1.5 Add drawings or other visual displays to descriptions when appropriate to clarify ideas, thoughts, and feelings.
    - Students will need to engage in behaviors that lead to the natural expression of ideas both verbally and in writing: turn and talk, small group discussion, and emergent listening and speaking learning centers. Students will also need a purposeful focus throughout ELA on choice-making.
      *For example, kindergarten students need to be able to choose visual displays that add to and support their asking questions that are on topic. They also need to know strategies for understanding and answering questions asked of them.*

- **CCRA.SL.6 Adapt speech to a variety of contexts and communicative tasks, demonstrating command of formal English when indicated or appropriate.**
  - SL.K.6 Speak audibly and express thoughts, feelings, and ideas clearly.
  - SL.1.6 Produce complete sentences when appropriate to task and situation.
    - *For example, first grade students need to be able to choose visual displays that order to clarify or gain more information.*

  - Second grade students should be able to engage in storytelling and report facts and relevant details about an experience. This should be done orally, with some detail, and with clarity of thought and emotions. They should be able to utilize digital media to add audio recordings of stories or poems and add visual displays to illuminate chosen facts or details. In order to do so, students will need multiple opportunities to present information to others and develop behaviors that will lead to the ability to add appropriate digital media and visual displays. Students will need to engage in behaviors that lead to the expression of complete ideas both verbally and in writing: turn and talk, small group discussion, computer use, and writing and speaking learning activities.
