

# Leadership Pathway

## Doctor of Education in Leadership

---

### *For National Board Certified Teacher Leaders*

National University, in partnership with City University of Seattle and National Board P2O Leadership Center, is pleased to offer an opportunity to join an online cohort with the intention of beginning an accredited doctoral degree program for **Spring, Summer and Fall 2016**.

The Doctor of Education (Ed.D) program explores diverse perspectives in education, business, public administration and healthcare. You'll develop your strong leadership skills while learning how to identify and develop leaders of tomorrow. This online program offers four concentrations:

- Organizational Leadership
- Higher Education
- Educational Leadership for P-12 with Superintendent or Principal/Program Administrator Certification
- Specialized Study

The flexible course schedule of this fully online doctoral program allows you to fit the program into your life.

**Contact us today to learn if you are eligible to waive up to 30 credits!**
