**SUPERINTENDENT YBARRA PRESENTS FY18 BUDGET TO THE JOINT  
FINANCE AND APPROPRIATIONS COMMITTEE (JFAC)**

(BOISE) – Superintendent Ybarra presented this morning before the Joint Finance and Appropriations Committee (JFAC), delivering the details of the proposed FY18 public schools budget and the department operational budget.

The Superintendent addressed the committee on details of the public schools budget request, highlighting many line items such as funding the third year of the Career Ladder, ongoing funding for Advanced Opportunities, continued support for College and Career Advising, and a continued focus on the need for Idaho’s first Rural Education Support Network. More details on all line item requests may be found on the supplemental document provided.

“It was great to be back in front of the budget setting committee to discuss highlights of the public school budget, and to discuss Idaho’s educational return on investment,” Superintendent Ybarra said. “As Idaho’s loudest voice for public education, I wanted to point out the great work that is happening across the state with technology, college and career advising, and Advanced Opportunities, just to name a few.”
