PARTICIPATION REQUESTED: IDAHO VISUAL/PERFORMING ARTS TEACHER PREP STANDARDS REVIEW

(BOISE) – The Professional Standards Commission, along with the State Department of Education, is seeking dedicated professionals to participate in the 2016 review of the Visual/Performing Arts Teacher Preparation Standards. These are the standards by which every Idaho teacher preparation program must build their coursework in order to maintain state approval for Secondary Visual/Performing Arts certification.

Many educators in your regions have volunteered their services for similar reviews in the past, and we would love to have your/their continued support for this review. Through this process we intend to better align these standards with current best practices and national standards.
