WIDA recommends site preparation (checklists) up to 10 weeks in advance. Please go to [www.WIDA.us](http://www.WIDA.us) to view updated checklists.

Reminder that WIDA will be providing onsite ACCESS 2.0 training in November (see Upcoming Dates).

## Reminder

### English Learner Management System (ELMS) Un-Submit Scores

If you have a W-APT score that needs to be edited, contact Alissa Metzler or Dr. Christina Nava in order to have the student's W-APT score un-submitted for editing. There will not be an Un-Submit button for district users!

Please DO NOT send emails with student level information to have scores un-submitted, as it would be a violation of student privacy.

## ESSA: Comment on NEW Home Language Survey

Idaho's ESSA Working Group on Entrance/Exit/Reclassification for ELs has drafted a new statewide Home Language Survey. Please take a moment to answer a short survey to provide feedback on this work and suggest future discussion topics for this group to consider for creating statewide guidance. We are looking for feedback from all individuals involved in the administration and evaluation of a student's HLS in determining whether a student might be an English Learner (EL staff, administrators, registrars, secretaries, parents, teachers, etc.).

You can participate either way:
