Migrant Parent Advisory Councils (PACs)
A Resource for LEAs

Parental Involvement

Parental Involvement is an integral part of all Title I programs, including the Migrant Education Program (MEP). The MEP supports parental involvement to more effectively help migrant children experience academic success. Migrant Parent Advisory Councils (PACs) empower parents to be advocates for their children and supporters of the programs that provide services. Migrant parents are critical stakeholders in the program’s success.

Establishment of Migrant PACs

The State MEP and its sub grantees (LEAs) must establish and consult with PACs in the planning and operation of a MEP regular year.

- LEAs must establish a PAC with representation of eligible migrant parents.
- The SEA must establish a Statewide PAC with representation from the LEAs (eligible migrant parents).

Migrant PAC Membership

Migrant PAC membership should consist of primarily migrant parents or the guardians of eligible migrant children. The PAC can also include district personnel who represent the interests of migrant parents. Members can be selected in the following ways: election, volunteering, nomination and/or appointment. The PAC should consist of no less than 5 members, if possible. The State PAC shall be comprised of two parent representatives from each Migrant funded LEA.

Goals of a Migrant PAC

The goals of the Migrant PAC are to:

1. To provide parents with the knowledge and skills needed to be an effective advocate for their child.
2. To provide parents the opportunities to have a voice in the MEP.
