

## **Processed Commodity Advisory Council Meeting**

The Processed Commodity Advisory Council met on January 29, 2009 in Eagle, Idaho to determine the processed commodities for School Year 2009-2010.

Thirty eight participants representing 29 National School Lunch Program throughout Idaho participated in a blind taste test (cutting) of further processed commodity products. Products were selected after discussion of the taste test results, nutrition information, pricing and other factors such as packaging, etc.

The following were the products that were selected by the Processed Commodity Advisory Council:

### Cargill (Sunny Fresh)

Grilled Egg Patty  
Pre-cooked Scrambled Eggs

### J.T.M. Provisions

Beef Crumbles  
BBQ Pulled Pork

### King's Delight
