Human Kinetics, Inc.	Experiencing Dance	Helen Scheff/ Marty Sprague/ Susan McGreevy-Nichols	2005	9-12	9780736051873	88%	
	Notes: Text is missing an index. Has great bibliography and glossary. Key Features: Includes movement experiences, written assignments, and more than 45 self-paced lessons to teach students to create and perform dances, understand how cultural diversity influences dance, and to evaluate dance works. Written to the student and places teachers in the role of facilitators who encourage critical thinking and student involvement in the learning process. Provides a 15-chapter progressive curriculum that includes tools to help students to build a dance portfolio.
