

PLATO Statewide Program Update

PLATO Management System Requirements – Schools, please identify your individual school(s) or district management system. Refer to management systems listed below, to identify what your school(s)/district will need to do to access latest PLATO content. Latest PLATO content is required to achieve the correlations scores given below. PLATO courseware mapping tool to identify standards location will be available through the Plato website: <http://www.plato.com/I-PLN.aspx>

❖ **PLE platform** – No school updates required

❖ **PWLN** – No school updates required

❖ **Client-Hosted PWLN** – Schools must request 5.1 upgrade

1. Please go to: http://support.plato.com/contact/upgrade_request_chpwln.asp You will need your 10 digit customer ID number located at the bottom left-hand corner of your client-hosted PWLN login page. Just fill in the required information and all materials will be mailed to you within 10 days.
2. If any issues arise as you work through the upgrade, please visit <http://support.plato.com> or call 1-800-869-2200.
3. After your 5.1 upgrade is complete, please contact Idaho Project Manager Lee Wheeler (lwheeler@plato.com, 208-830-5388. He will perform the final configuration requirements specific to Idaho.

❖ **Pathways** – Schools must request 4.3 upgrade

1. Please go to: http://support.plato.com/contact/upgrade_request.asp You will need your 10 digit customer ID number located at the bottom left-hand corner of your client-hosted PWLN login page. Just fill in the required information and all materials will be mailed to you within 10 days.
2. If any issues arise as you work through the upgrade, please visit <http://support.plato.com> or call 1-800-869-2200.
3. After your 4.3 upgrade is complete, please contact Idaho Project Manager Lee Wheeler (lwheeler@plato.com, 208-830-5388. He will perform the final configuration requirements specific to Idaho.

Please ask your tech support to log into the *Teacher Materials Library* <http://support.plato.com/login.asp?url=/library.asp?> to download a complete listing of URLs requiring school access for full PLATO implementation.

PLATO Statewide Program Update

PLATO has created a mapping tool for locating standards within their courseware. Correlation mapping tool is available through the PLATO I-PLN website: <http://www.plato.com/I-PLN/Resources.aspx>. Please verify date located on the front cover of document is January 13, 2009. Also available through PLATO I-PLN is a listing of available novels with respective folder location(s).

Below, please find a listing of courseware and courses provided as part of the statewide contract.

Reading, Language & Writing
