Progress Towards Meeting Goals

2006-07 Goals

Progress

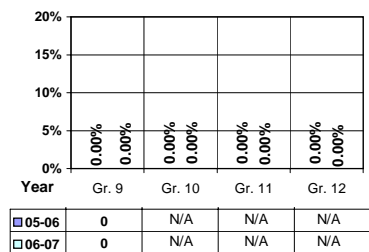

Increase student achievement on state mandated tests	On Alert status
Continue to create project based, meaningful education for middle school students. Projects are intended to be interdisciplinary and culminate in an event with an authentic audience.	Events included Night of the Notables, World's Fair, Hydrogen Fuel Cell Cars, Science Bowl, Scientist Monologues, Rocketry, Persuasive Speeches and Mock Trials.
Increase academic rigor in classrooms and challenge students appropriately	Students required to achieve 70% in order to receive credit on core subjects
Build positive teacher/student relationships	Advocacy program continues to be an effective tool for mentoring students and holding them accountable for behavior and academic performance
Help students who are struggling to achieve at a higher level	Provided supervised study hall 2-3 days per week after school
Expose students to life sports	Mountain biking, tennis, hiking, golf and winter sports were all part of the curriculum
Expose students to global community	Participation in International student online forums and projects
