RE: Irregular Contact with Students

DATE: Effective July 1, 2008

In accordance with Idaho Statute §33-512(16), to maintain a safe environment for students....a system that cross-checks all contractors or other persons who have irregular contact with students against the statewide sex offender registry" must be established. Irregular contact is defined in Board Rules as "contact that is not on a daily or weekly basis, or has a regular scheduled interaction with students."

If you are being given this official form, it is because the local school district is requesting that employees/associates complete the above mentioned cross-check against the statewide sex offender registry in order to come within 500 feet of this building in accordance with Idaho Statute §18-8329.

By signing this form, you acknowledge that all volunteers and/or employees currently associated with your company/organization has been cross-checked using the official website for the statewide sex offender registry, and all future volunteers and/or employees/associates will be checked and cleared against the sex offender registry before being sent to this building".
