Subject: Department of Education Comment on Proposed Rule 08-023-1711
Date: Thursday, September 21, 2017 11:14:49 AM

When Special Education and Assessment staff reviewed the proposed incorporated document presented in rulemaking docket number 08-0203-1711, they determined additional information regarding the Performance-Level Scale would be beneficial. The team recommends adding the Performance-Level Scale Score Ranges table along with an explanation of the table data. Staff also determined that the NCSC Mathematics and English Language Arts tables were erroneously included in the document. Staff recommend the tables be removed.
