DESCRIPTIVE SUMMARY AND STATEMENT OF PURPOSE: The following is a statement in nontechnical language of the substance and purpose of the intended negotiated rulemaking and the principal issues involved:

The Idaho Extended Content Standards, which are the standards aligned with the alternate assessment, were adopted in 2008 and are currently not aligned with the Idaho Content standards adopted in 2010 and updated in 2017. This proposed rule will replace the English Language Arts (ELA) and Math extended standards with the Idaho Content Standards Core Content Connectors. To ensure

these standards remain the most effective and up-to-date and remain in alignment to Idaho Content Standards as required by the Every Student Succeeds Act, the State Department of Education will convene a committee of Idaho Educators to review and make changes for revisions to the Core Content Connectors – following updates to, or in conjunction with, Idaho Content Standards in ELA and Math.

This rule will replace the Extended Content Standards with the Idaho Content Standards Core Content Connectors. Core Content Connectors identify the most basic grade-level, core academic content in ELA and Mathematics found in the Idaho Content Standards.
