per Idaho Standards Challenge Review 2015**

Request for changes/revisions to Idaho Core Mathematics ELA Standards per Idaho Standards Challenge Review 2015				
Page in CCSS booklet	Grade Level	Original Standard from CCSS	Committee Recommendation	Rationale for Recommendation
48	7 th Grade	<p>The Number System: A.1.d Apply properties of operations as strategies to add and subtract rational numbers.</p>	<p>New Description: Apply properties of operations as strategies to add and subtract rational numbers. (see reference table 3 on pg. 90)</p>	<p>The recommendation to the state department to: 1) Communicate the existence of the reference section, specifically table 3 in the CCSSM on page 90 and 2) Include the reference within the standard in future editions.</p>
60	High School	<p>Number and Quantity: The Real Number System A.1 Explain how the definition of the meaning of rational exponents follows from extending the properties of integer exponents to those values, allowing for a notation for radicals in terms of rational exponents.</p>	<p>The recommendation to the state department is to remove “the definition of” or “the meaning of” in future editions</p>	<p>The recommendation to change the standard description so as to remove redundancy of language.</p>
