

Here's the relevant state code concerning what must be on a district's website.

33-133(7) The state board of education shall develop a model policy for school districts and public charter schools that will govern data collection, access, security and use of such data. The model policy shall be consistent with the provisions of this act. In order to assure that student educational information is treated safely and securely and in a consistent manner throughout the state, each district and public charter school shall adopt and implement the model policy. The state department of education shall provide outreach and training to the districts and public charter schools to help implement the policy. A current copy of such policy shall be posted to the school district's website. Any district or public charter school that fails to adopt, implement and post the policy where any inappropriate release of data occurs shall be liable for a civil penalty not to exceed fifty thousand dollars (\$50,000). Such civil penalty may be imposed per violation. The method of recovery of the penalty shall be by a civil enforcement action brought by the state board of education, with the assistance of the office of the state attorney general, in the district court in and for the county where the violation occurred. All civil penalties collected under this section shall be paid into the general fund of the state.

33-320. CONTINUOUS IMPROVEMENT PLANS AND TRAINING. (1) Each school district and public charter school in Idaho shall develop an annual plan that is part of a continuous focus on improving the student performance of the district or public charter school....

(3) The plan must be made available to the public and shall be posted on the school district or charter school website.

33-357. CREATION OF INTERNET BASED EXPENDITURE WEBSITE. (1) As used in this section, unless otherwise required:

(a) "Education provider" means:

(i) A school district, including a specially chartered district organized and existing pursuant to law;

(ii) A cooperative services agency or intermediate school district;

(iii) A public charter school authorized pursuant to state law;

(iv) A publicly funded governmental entity established by the state for the express purpose of providing online courses.

(b) "Entity" means a corporation, association, union, limited liability company, limited liability partnership, grantee, contractor, local government or other legal entity, including a nonprofit corporation or an employee of the education provider.

(c) "Public record" shall have the same meaning as set forth in [chapter 1, title 74](#), Idaho Code.

(2) (a) No later than December 1, 2011, each education provider shall develop and maintain a publicly available website where the education provider's expenditures are posted in a nonsearchable PDF format, a searchable PDF format, a spreadsheet or in a database format.

(b) The internet based website shall include the following data concerning all expenditures made by the education provider:

(i) The name and location or address of the entity receiving moneys;

(ii) The amount of expended moneys;

(iii) The date of the expenditure;

- (iv) A description of the purpose of the expenditure, unless the expenditure is self-describing;
 - (v) Supporting contracts and performance reports upon which the expenditure is related when these documents already exist;
 - (vi) To the extent possible, a unique identifier for each expenditure;
 - (vii) The annual budget approved by the education provider's governing board, to be posted within thirty (30) days after its approval; and
 - (viii) Any current master labor agreements approved by the education provider's governing board.
- (c) The expenditure data shall be provided in an open structured data format that may be downloaded by the user.
- (d) The internet based website shall contain only information that is a public record or that is not confidential or otherwise exempt from public disclosure pursuant to state or federal law.
- (3) The education provider shall:
- (a) Update the expenditures contained on the internet based website at least monthly;
 - (b) Archive all expenditures, which shall remain accessible and on the internet based website for a number of years, consistent with state law regarding keeping and retention of records;
 - (c) Make the internet based website easily accessible from the main page of the education provider's website; and
 - (d) The website shall include those records beginning on the effective date of this act on July 1, 2011, and all data prior to that date shall be available by way of a public records request.

In addition, it is recommended that districts post their Acceptable Use Policy

33-132. LOCAL SCHOOL BOARDS -- INTERNET USE POLICY REQUIRED. (1) As a condition for receiving moneys from the state general fund, each local school district shall file an acceptable internet use policy with the state superintendent of public instruction no later than August 1, 2011, or within one (1) year after the creation of a new district, whichever is later, and every five (5) years thereafter. Such policy shall be approved by the district's board of trustees and shall contain, but not be limited to, provisions that:

- (a) Prohibit and prevent the use of school computers and other school owned technology-related services from sending, receiving, viewing or downloading materials that are deemed to be harmful to minors, as defined by section 18-1514, Idaho Code; and
- (b) Provide for the selection of technology for the local district's computers to filter or block internet access to obscene materials, materials harmful to minors and materials that depict the sexual exploitation of a minor, as defined in chapter 15, title 18, Idaho Code; and
- (c) Establish appropriate disciplinary measures to be taken against persons violating the policy provided for in this section; and
- (d) Include a component of internet safety for students that is integrated into the district's instructional program; and
- (e) Inform the public that administrative procedures have been adopted to enforce the policy provided for in this section and to handle complaints about such enforcement, and that such procedures are available for review at the district office.

(2) The policy provided for in subsection (1) of this section may include terms, conditions and requirements deemed appropriate by the district's board of trustees including, but not limited to, requiring written parental authorization for internet use by minors or differentiating acceptable uses among elementary, middle and high school students.

(3) The district's superintendent is is hereby authorized to take reasonable measures to implement and enforce the provisions of this section.
