

Adoption Schedule

Curricular Materials

The adoption process currently runs on a six (6) year adoption cycle. It is recommended that local school districts wait to purchase new curricular materials until after the main subject adoption year of the State Adoption Schedule & after effective contract date with the publishing companies. This assures that schools will purchase state approved materials at contracted prices.*

ADOPTION SCHEDULE

Content Area [†]	Board Standards Approval	Legislative Standards Approval	Materials Review Year [‡]	Local Review Process	Publisher Contract
