McGraw-Hill Inc. (School Education Group–Macmillan)	TimeLinks: Hello World Kindergarten Kit	Banks, Colleary, Greenow, Parker, Schell, Zike	2009	K	9780021524303	89%
	Key Features: Macmillan/McGraw-Hill TimeLinks offers an effective approach to providing content and an efficient instruction plan for fitting social studies into today's busy classroom schedule. A strong mix of core content, leveled books, hand-on activities, and interactive technology will engage young students and connect their learning to their real world every day. This unique program lets students experience rather than just read about social studies through lots of classroom participation and group discussion. Designed for today's 21st Century classroom. The Kindergarten Kit includes the Hello, World! Flip Chart. This large format chart is laminated, spiral-bound, self-standing, and colorful enough to hold the attention of very active pupils for a whole-class instruction approach that focuses on language development. The Kindergarten Kit provides everything needed to start building History-Social Science success in one place including vocabulary cards and blackline masters, oral language cards, student practice and activity workbook, assessment, transparencies, Citizenship and Atlas Big Books, teacher support materials, audio CD, leveled readers—both biographies and places and events, and Ty the Turtle puppet.

Pearson Scott Foresman	Scott Foresman Social Studies © 2011 Platinum Edition Here We Go - Kindergarten Full Package (contains Unit Big Book Package, Workbook/ Answer Key, Assessment Book Blackline Masters, Social Studies Plus!: A Hands-On Approach, Every Student Learns Teacher's Guide, Posters, Big Book Atlas, and Songs & Music Audio CD)	Kracht, et al	2011	K	9780328582785	94%	
	Key Features: Program that will make the learning experience relevant and personal for students in Idaho while helping them to develop civic competence and civic participation. In Kindergarten, students explore who they are by taking a closer look at the places in which they spend much of their time, such as home and school. Students are also introduced to fundamental concepts such as families, work, community, and being a member of a larger whole as Americans and what it means to be a citizen.

	Scott Foresman Social Studies Student Edition - People and Places	Kracht, et al	2011	2	9780328520138	95%	
Key Features: Program that will make the learning experience relevant and personal for students in Idaho while helping to develop civic competence and civic participation. In grade 2, students are introduced to the different places in which people live, basic economics like spending & saving, the beginnings of American history, Native American groups and European settlers. They will also begin to understand about immigrants and how they have contributed to the United States, holidays, landmarks, and how artifacts tell about the past.

Pearson Scott Foresman	Scott Foresman Social Studies Student Edition - Communities	Kracht, et al	2011	3	9780328520145	64%
	Key Features: Program that will make the learning experience relevant and personal for students in Idaho while helping to develop civic competence and civic participation. Grade 3 teaches students all about communities – how they are places where people live, work, and have fun together, that there are rural, suburban, and urban communities, and that communities and their celebrations reflect the customs and cultures of the people who settled there.

Pearson Scott Foresman	Scott Foresman Social Studies Student Edition - <i>The United States</i>	Kracht, et al	2011	5	9780328520176	61%
	Key Features: Program that will make the learning experience relevant and personal for students in Idaho while helping to develop civic competence and civic participation. The United States traces the history of our nation from colonization to the modern day. Students will learn that people in the United States come from very different backgrounds, the places where they live varies as well, but despite all the differences there are in this country, people work together for a common purpose.

Sterling Ties Publications	Discovering Boise and the Treasure Valley (textbook)	Dorothy Dutton and Caryl Humphries	2007	3	0-9642420-6-0	56%
	Notes: Good resource for Boise/Treasure Valley. Could be used to relate to other Idaho communities. Key Features: 3rd grade readability. Numerous Photographs (color and historical black and white). Photos of early Treasure Valley laid side by side with current day photographs. Written specifically for Boise and the Treasure Valley including brief histories of local communities. Content taught is reinforced with activities in the Teacher's Resource Guide. Games are available which reinforce vocabulary and concepts.

McGraw-Hill Inc. (School Educ Group - Macmillan)	TimeLinks: Our Country and Its Regions Complete Student Edition Set (Volumes 1 and 2)	Banks, Colleary, Greenow, Parker, Schell, Zike	2009	4	9780021525225	27%	
	Notes: Does not cover Idaho History. Key Features: Offers an effective approach to providing content and an efficient instruction plan for fitting social studies into today's busy classroom schedule. A strong mix of core content, leveled books, hand-on activities, and interactive technology will engage young students and connect their learning to their real world every day. This unique program lets students experience rather than just read about social studies through lots of classroom participation and group discussion. Designed for today's 21st Century classroom. Grade 4 has seven units of "Our Country and Its Regions" are covered in a two volume set. Two types of Leveled Readers with every Unit (Biographies and Places and Events) are provided in three differentiated levels—Approaching, On Level, and Beyond. Since the story or message is the same, regardless of reading level every student gains access to the same content. Lesson plans are available for instructional support for each title.
