Holt McDougal	<b>Holt McDougal, The Americans: Reconstruction to the 21st Century, Student Edition</b>	<b>Danzer, Klor de Alva, Krieger, Wilson, Woloch</b>	<b>2009</b>	<b>9-12</b>	<b>9780547034898</b>	<b>100%</b>
	Key Features: Explores the story of United States history, weaving the reflections of people who experienced history firsthand throughout the narrative. Thought-provoking lessons make history human and relevant to students' everyday lives, helping them to realize the richness of our nation's history. Focuses on the human face of history. When students dig into the events and see the people clearly, history for them will be more real, more accessible, and more exciting. History comes alive when students are actively involved in their own learning. As students make connections between the past and the present and as they think about how historical events have influenced their lives, they imagine how lives might have been affected if events had happened differently. Incorporates a variety of materials and models that help students develop the thinking skills that are crucial to successful learning and help them become motivated and active thinkers.

	<p>Notes: Profiles different minority groups, adds to students understanding of different groups within the US. Great resource for teaching document based questions.</p> <p>Key Features: A popular, effective, and entertaining texts for teaching AP* US history. The 14th edition places an even greater emphasis on the global context of American history. New and revised features present primary sources, scholarly debates, and key historical figures to capture student interest and help them learn to examine documents the way historians do. "Thinking Globally" boxes are new essays that present a different aspect of the American experience contextualized within world history and how key aspects of US history were encountered and resolved by other nations. "Varying Viewpoints" are overviews of the scholarly debates surrounding major historical issues that encourage students to think critically about disagreements among historians. "Examining the Evidence," are historiographical features that help students learn about the insights historians derive from a wide range of historical artifacts. "Makers of America" essays focus on the diverse ethnic, racial, and activist groups that compose America's pluralistic society. In-text AP* support includes an AP* Exam Overview, AP* Exam Correlation, AP* End of Chapter Review Questions, and Document Based Questions (DBQ) to prepare for the AP* Exam.</p>

	Notes: Incorporation of the “Time notebook” provides great visuals for students to reference Key Features: Program’s focus is on the 20th and 21st centuries. Unit 1 reviews U. S. History from Pre-Columbian history through Reconstruction. In-depth coverage begins with the Birth of Modern America. Through compelling narrative, insightful visuals, primary sources, relevant activities, and a wide variety of differentiated instruction resources, motivates high school students to develop their understanding of our country’s past and their role in its future. The “considerate design” minimizes disruptions and the flow of content and concepts which allows readers to navigate the text easily. The text includes reading support with focused lesson instruction in Academic and Content Vocabulary, and appropriate reading strategies with graphic organizers. Each lesson has a focus on Big Ideas that relate the reading to critical concepts. The optional Foldables® offer kinesthetic and visual learners a method of success with student-made three dimensional graphic organizers. Abundant critical thinking and writing activities ensure every student is challenged.

		<b>The Enduring Vision: A History of the American People, Student Edition [High School AP Version]</b>	<b>Boyer, Clark Jr, Halttunen, Kett, Salisbury, Sitkoff, Woloch</b>	<b>2011</b>	<b>9-12</b>	<b>9780495802396</b>
	Key Features: The text features an engaging narrative that integrates political, social, and cultural history within a chronological framework. The text is also known for its innovative coverage of public health, the environment, and the West, including Native American history. "Beyond America-Global Interactions" illustrated essays explore the world-wide context of key developments in American history. The text's focus on culture, the land, and environmental history helps students visualize and relate to the challenges different groups of people faced throughout America's past. "Technology and Culture" essays demonstrate the importance of these two forces in American history. Topics include Public Sanitation in Philadelphia, Guns and Gun Culture, and the Interstate Highway System. The text features Document Based Questions to help students prepare for the DBQ free response section on the AP* Exam.
