CODE Connect Activity

Cut the words and definitions into strips. Give each student a strip of paper (either a vocabulary word or a definition) and have them wander around the room to find their match.

Excerpt
A short section of film, music, or writing.

Compose
To create a work of art, music, or writing.

Claim
The statement or thesis the writer says is true.

Evidence
Facts and information that help prove or support a claim.

Warrant
The explanation of why or how the evidence given supports the claim.

**Cite**

To quote a passage, book, or author as evidence for an argument.

**Collaborate**

Work with others to accomplish a task.

**Comprehend**

To grasp or understand something.

**Determine**

To come to a decision or conclusion about something.

**Argue**

To give reasons or cite evidence in support of an idea.

**Support**

Backing something up or assisting.
Analyze
To break something down and study it in depth.

Predict
To make an educated guess about what will happen later in the story.

Infer
To make an assumption about something based on prior knowledge and information given – “reading between the lines.”

Imply
To strongly suggest something without directly saying it.

Summarize
To give a brief statement of the main points.
Identify
Recognize and pinpoint something.

Convey
To make an idea known to someone.
