GALLERY WALK

1. Read posters and place stickers by any criteria that appear multiple times.
2. After reading all posters, return to tables with partner and create your new list of criteria that you determine appropriate.
3. Compare your new list with two other groups, make any revisions desired.

As a whole class, we will create the expected criteria for evaluating travel websites and you will be expected to follow this criteria when making decisions about using information from any links you follow from approved websites.
