Website Evaluation Assessment

With your partner, use the class criteria to evaluate the following websites.

1. martinlutherking.org
3. One travel site of your choice (Google search a country of interest to you and your partner)

1. Each person will turn in one one page per website
2. Make notes on each website, evaluating the website using the criteria agreed upon in class.
3. Write one paragraph per website, include the vocabulary of the evaluation criteria and your opinion about the validity of each website.
