Website Evaluation Criteria

**Author** - Who wrote it? **This is THE MOST IMPORTANT first check!**
- Check the “About” page
- Author’s credentials listed?
- Contact link provided?

**Purpose** – What is the reason this site is on the web?
- Clear purpose with content that reflect the purpose
- Is the author biased? If there is bias, is it appropriate?

**Currency** – Is it accurate and up to date?
- Make sure the information is current “last updated”
- Easy to read and understand
- Accurate and detailed information

**Technology** – Are the links functional and current?
- Usable links that work
- Correct spelling and grammar
- Graphics and pictures relevant and appropriate

Hey there!
Have you evaluated?

Is that site good enough to cite?
