Sacajawea Junior High is seeking submissions for murals during the spring semester of 2017. Public art helps to set the tone of a school and enhance the visual landscape and character of our community. It takes an ordinary space that you might walk by daily without notice, and makes it extraordinary. Most importantly, public art is accessible to everyone and creates an emotional response in all who see it.

Mural submission guidelines.

- Must be a student attending Sacajawea Junior High in the spring semester of 2017 and be enrolled in the Advanced Art class.
- Complete a drawing that represents your chosen mural idea. Mural submissions must relate to school culture at Sacajawea Junior High or relate to Lewiston, Idaho. Scan or take a digital photo of the drawing to submit to art instructor via google drive.
- Fill out the information on this form to submit with your application.
