Reader’s Response

Focusing on the writer’s use of descriptive and clarity of purpose, provide specific feedback for the pieces you read on the lines provided below. After you have read and thoughtfully commented, please fold the comment along the asterisks so that other readers aren’t able to see your comments. This paper stays on the desk next to the piece.

7. Praise: (A line, image, word choice that you enjoyed and why)
__________________________________________________________________________________________
__________________________________________________________________________________________

Question: (Something you wonder about after reading the piece)
