Hi everyone,

I hope you are having a great summer. This is a friendly reminder that we would like you to submit the College Board intake form as soon as possible.

I am planning to publish the testing schedule (<https://publish.smartsheet.com/b5e6e09f22ce4cca9197ec5aab8b0b02>) on our website.

If you have not submitted the intake form or if you need to make any changes to your schedule/contact info, please retrieve the school-specific intake form at <https://forms.gle/dMu7kR5KSDCkdAGk7>. As a reminder, this intake form is for the state-sponsored PSAT/NMSQT for the sophomores and SAT for the juniors/seniors.

Quick Check-in:

- How are we doing with scheduling? Please feel free to contact me if you are concerned about your school's capacity.
- No updates on the college entrance exam requirement for the Class of 2021 from the State Board of Education. Please plan to re-register/test all non-exempt seniors this fall. The spring 2020 registration will not carry over.
- You can start ordering testing materials now, if you have done this before and know what to do. The College Board will release the training materials next month. If you are new like me or if you think your enrollment count will fluctuate significantly due to COVID-19, you can order materials next month. The ordering deadline is September 16, and we will remind you in advance.

Please feel free to contact me if you have any questions or concerns.

Thanks,
Ayaka

Hi everyone,

This is a friendly reminder that we would like you to submit the College Board intake form by next Friday the 19th. Please disregard this email if you have already submitted the intake form.

The College Board intake form is used to validate your testing schedule and contact information. This year, we tried to pre-fill your form to minimize your work, but then some schools have told us their servers blocked our email or disabled the url. To overcome this issue, we created a separate form to allow you to retrieve the school-specific intake form.

If you did not get the original email from Morgan or if your form is not pre-filled, please submit a request to retrieve the school-specific intake form at <https://forms.gle/dMu7kR5KSDCkdAGk7>.

Once you complete the form, you will receive an email from me with the personalized url to the College Board intake form. Even if your school is not interested in participating in PSAT/SAT in the 2020-2021 school year, please submit the intake form to opt out of future communications.

<PSAT/SAT Information>

Due to school closures in the spring of 2020, students in the class of 2021 may not have been able to participate in the SAT School Day or state-sponsored SAT National Test Day in their junior year. The SDE and College Board have arranged an opportunity for those students to participate in the SAT in the fall. The State will continue providing a fall PSAT School Day for the sophomores and a spring SAT School Day for the juniors in the 2020-2021 school year. More information is available on our website at: <https://www.sde.idaho.gov/assessment/college/>.

Please feel free to contact me if you have any questions or concerns.

Thanks,
Ayaka
