Greetings and hope that you are having a safe summer.

Recently, the Idaho SDE received your response on the SAT and PSAT/NMSQT intake form indicating that you would like your 12th grade students to participate in either the October 3rd or November 7th SAT national test dates using the SDE-sponsored vouchers.

In order to ensure that you receive the appropriate number of voucher codes for the fall testing opportunity for your 12th graders, **please provide the following information by July 31, 2020.** You should only request the number of voucher codes that you feel will be needed to cover your 12th graders. The code can only be used once and a student should only receive one code for this opportunity.
