Greetings! We hope your fall is going well and that you are staying safe during this unique and challenging time.

Idaho 11<sup>th</sup> graders will be able to participate in the state-supported SAT in spring 2021. During the recent intake process, you indicated that your school(s) plan to utilize vouchers for the March and May 2021 national SAT administrations. To best support you with this opportunity, we ask that you provide the information below so that College Board can provide voucher codes.

While most of you provided the information for the fall SAT, fall testing provided a unique opportunity due to Covid cancellation of the spring 2020 testing. Voucher codes provided for fall testing will not carry over to spring, so we will provide a “fresh” set of codes for your students’ use. The codes will be forwarded to you by email later this fall.

Please indicate the following and reply by return by email at your earliest convenience. Thank you in advance for you supporting your students!
