# School Day Report

School Day Report summarizes the performance of your students who took the SAT® School Day academic assessment during SAT School Day primary administration.

This report includes results for test-takers who have valid composite scores. Make up test-takers are excluded from this report.

You can use this report to:

- interpret scores of individual students within the broader context of score aggregated across groups of students
- study changes over time
- use with SAT Skills Insight™. SAT Skills Insight is a free, online tool that categorizes the types of skills students need to develop based on their SAT scores. The tool is available online at [http://sat.collegeboard.org/SAT/public/pdf/SkillsInsight\\_WEB.pdf](http://sat.collegeboard.org/SAT/public/pdf/SkillsInsight_WEB.pdf)

---

The College Board is committed to ensuring students are ready to make successful transitions to college and career by the time they leave high school. Our assessments – including PSAT/NMSQT® and SAT® – are built on that commitment. The College Board works in partnership with states, districts, and schools to prepare students to succeed, and our evidence-based assessments are closely aligned to many state standards which focus on college and career readiness

---

## The SAT® Program

The SAT (formerly known as the SAT I: Reasoning Test) assesses student reasoning based on knowledge and skills developed by the students in their course work.

## About the College Board

The College Board is a mission-driven not-for-profit organization that connects students to college success and opportunity. Founded in 1900, the College Board was created to expand access to higher education. Today, the membership association is made up of over 6,000 of the world's leading educational institutions and is dedicated to promoting excellence and equity in education. Each year, the College Board helps more than seven million students prepare for a successful transition to college through programs and services in college readiness and college success — including the SAT® and the Advanced Placement Program®. The organization also serves the education community through research and advocacy on behalf of students, educators and schools. For further information, visit [www.collegeboard.org](http://www.collegeboard.org).
