Beginning of the Year District Test Coordinator Checklist
Idaho’s Comprehensive Assessment Program

INTRODUCTION

Idaho’s Comprehensive Assessment Program plays a crucial role in evaluating student progress, school performance, and overall district accountability. At the beginning of each academic year, it is essential that district test coordinators (DTC) plan, coordinate, and execute test-centric trainings and procedures to ensure the integrity of each state assessment is upheld. This checklist aims to outline the necessary actions DTCs must work through to ensure the assessment content is safeguarded and that student results are valid and secure.

Update Idaho System for Educational Excellence-District ISEE Coordinator

☐ Update the Idaho District Contact Information (IDCI) application with current district contact information.
  - District Test Coordinator (DTC)
  - Idaho Reading Indicator Coordinator (IRI)

Test Material Handling

☐ Designate a secure storage area in each school for test materials. The storage area shall only be accessible to authorized personnel who have signed the Idaho SDE Confidentiality Agreement.

☐ Inventory and track all test tickets, test booklets, answer sheets, scratch paper, and other assessment materials by maintaining a chain of custody and materials tracking protocol.

Test Security

☐ Read and adhere to the Idaho SDE Assessment Integrity Guide.

☐ Review the Idaho SDE Assessment Observation Checklist.

☐ Develop and implement a strict electronics device use policy during testing. Consider outlining policy for both students and staff.

☐ Maintain a log of any incidents or interruptions occurring during testing, along with actions taken to resolve them per Assessment Integrity Guide guidance.

☐ Ensure TAs engage in active test proctoring.
Emphasize the importance of data privacy and confidentiality to all staff members handling assessment materials and results.

Ensure that all student data, both paper-based and digital, is securely stored and protected in accordance with Idaho and federal regulations.

Accommodations and Special Needs

Identify students requiring accommodations or supports and ensure their needs are met according to state guidelines.
