Cohort Grad Rate Appeals

• October 21 – November 1

• Schools can amend each child’s graduation status with supporting documentation
New Tools Posted

• Similar schools and similar districts comparison tools [http://www.sde.idaho.gov/assessment/accountability/resources.html](http://www.sde.idaho.gov/assessment/accountability/resources.html)

• Allow you to find similar schools/districts using a set of user selected characteristics and compare performance
  - Uses data from the school report card (idahoschools.org)
Purpose

• Designed to facilitate communities of practice
  • Who can we learn from?

• Not a way to rank schools/districts or fully describe performance

Thank You!

• IRI Fall testing is complete.

• Districts are required to provide results to families

• The Student Summary Handout is the recommended report for sharing with families
  • Priority report details can be excluded
  • An example report that details the report features is available to accompany student reports
Fall IRI Scores

• Fall IRI Scores will be available after the SDE receives the October ISEE reports from LEA’s and matches student enrollment with the student assessment results we receive from Istation.

• Districts who reported a testing impropriety where 1 student took another students will have the option to receive an updated student summary handout with the inaccurate data removed.
New Oral Reading Fluency Assessment

• New in fall 2019

• Available as a tool for teachers through the web-based application at isip.istation.com

• Automatic Scoring as of September 20

• ORF is not required or included in the overall score
• Monthly progress monitoring is included in the state K-3 IRI contract

• On demand assessments can be scheduled in additional to monthly progress monitoring as needed
  • On-Demand assessments can now be assigned by class or individual students. This can not be undone!
