

|| IRI RFP is happening now!

This is an exciting time for the IRI. I have had many questions regarding the RFP (request for proposal) that is happening right now. So here are a few answers to many of the frequently asked questions about the upcoming IRI.

Q: WHY ARE WE WRITING AN RFP?

A: It is required by law to go out for an RFP in this size of contract. It makes sure we are doing what's best for kids!

Q: ARE WE GETTING A NEW IRI?

A: We are in the middle of writing an RFP- the 1st RFP committee will write the RFP and a 2nd committee will review the vendors that submit for the RFP. Those 2 groups, collectively, will choose the vendor for the IRI.

Q: IS THERE A CHANCE WE DON'T GET A NEW IRI?

A: There is always a chance the committee chooses to stay with the same vendor.

Q: WHEN WILL WE KNOW ABOUT IRI?

A: We will choose a vendor in mid to late July.

Q: WILL WE HAVE ISTATION NEXT YEAR?

A: Yes, Istation will be our vendor for the 2024/2025 school year. If the committee chooses a new vendor, that contract for the entire state will not begin until 2025/2026 school year.
