

# New Idaho Reading Indicator

## General Information

### PURPOSE

The new Idaho Reading Indicator (IRI) by Istation's Indicator of Progress (ISIP™) early reading assessment provides reliable data with frequent, age-appropriate measurement for students in kindergarten through 3rd grade. Adjusting to each student's ability, the interactive assessment keeps developing readers engaged while they work through fun activities.

### WHAT IS THE NEW IRI (ISIP ER) BY ISTATION?

- Computer adaptive test (CAT) for grades K-3
- Comprehensive assessment system: screener, diagnostic, and progress monitoring in one solution

### What are some key features and benefits of the NEW IRI?

- Provides benchmark and continuous progress monitoring.
- Assesses 5 critical domains: phonemic awareness, alphabetic knowledge, fluency, vocabulary, and comprehension with appropriate subtests at each grade level.
- Provides teachers with resources.
- Can test a whole classroom on multiple devices (iPad, Chromebook, Android, Mac, or PC).
- Saves teacher's instructional time.
- Engaging, game like environment.
- Award winning, valid and reliable.

### How does it work?

- It can be administered monthly and automatically for students receiving interventions.
- More frequent on-demand assessments can be given as needed.
- Can assess an entire class in 30-40 minutes; subtests/probes range from 3-10 minutes.
- Test results delivered immediately
- Time for each student will vary because of computer-adaptive design.
- Students often enjoy the game-like environment.
