

# Idaho Reading Indicator Fall 2022 Professional Development

Administrator and Teacher Training with Istation

## UPCOMING FALL IRI TRAININGS

The trainings listed in this document are meant to support coordinators, administrators, and teachers with successful implementation of the Idaho Reading Indicator (IRI) for the beginning of the school year. The professional development for administrators will be available twice in August, and teachers will have four opportunities in August to attend the professional development designed for teachers.

More professional development opportunities will be scheduled throughout the school year. Additional trainings will support educators in locating the extra resources available to them through the Istation website, understanding progress monitoring and intervention, and utilizing the State Standards Correlations chart to unpack grade level standards. Dates will be announced soon.

*Note: This information was sent to District and IRI Testing Coordinators. Please make sure to share this information with building administrators and teachers.*

## PROFESSIONAL DEVELOPMENT FOR ADMINISTRATORS (2 SESSIONS)

Please choose **one** of the trainings to attend. If you are unable to attend on these dates, please still register. The recording will be sent to your email for you to watch at your convenience.
