The Chief Certification Officer for the State of Idaho filed an Administrative Complaint against the educator certificates issued to Charles Tacke, seeking for the Professional Standards Commission to impose discipline on Mr. Tacke’s certificates. See Idaho Code § 33-1209. Because Mr. Tacke did not request a hearing within 30 days, and because Mr. Tacke was determined to be in default by a hearing/presiding officer, the allegations in the Administrative Complaint are treated as admitted, Idaho Code § 33-1209(3), and are incorporated by reference as findings of fact.

Based on these findings, the Professional Standards Commission concludes that Mr. Tacke willfully violated the following principles of the Code of Ethics adopted by the State Board of Education. Idaho Code § 33-1208(1)(j).

The Commission specifically holds that Mr. Tacke’s conduct or course of conduct willfully violated a principle of the code of ethics that was adopted by the Idaho State Board of Education. Idaho Code § 33-1208(1)(j) (“Willful violation of any professional code or standard of ethics or conduct, adopted by the state board of education”). Specifically, Mr. Tacke violated Code of Ethics Principle IV (Idaho Admin. Code r. 08.02.02.076.05) (“A professional educator exemplified honesty and integrity in the course of professional practice.”).
Under Idaho Code § 33-1208, the Professional Standards Commission orders that the following discipline (as marked) be imposed on Mr. Tacke's certificate:

As requested in the Administrative Complaint

X The discipline requested by the Chief Certification Officer in her Request for Relief in the Administrative Complaint.

Other discipline

____ Mr. Tacke's certificates are revoked.

____ Mr. Tacke's certificates are permanently revoked under Idaho Code § 33-1208(2).

____ Mr. Tacke's certificates are suspended for _____ years _____ months

____ Mr. Tacke's certificates are suspended indefinitely pending completion of the following conditions:
  1. ________________________________
  2. ________________________________
  3. ________________________________
  4. ________________________________

____ Mr. Tacke's certificates have the following conditions placed upon it.
  1. ________________________________
  2. ________________________________
  3. ________________________________
  4. ________________________________

____ A letter of reprimand will be placed in Mr. Tacke's permanent certification file.

Final Order - 6
Charles Tacke
IDAHO PROFESSIONAL STANDARDS COMMISSION

In the matter of the certificates of:  
Charles Tacke,  
Respondent

Case No. 21901
ADMINISTRATIVE COMPLAINT

Lisa Colón Durham, Chief Certification Officer for the State of Idaho, alleges the following against Charles Tacke.

GENERAL AVERMENTS

The following general averments are adopted in each count below.

2. The Chief Certification Officer is empowered to file an administrative complaint against the certificate of a teacher or other individual certified under the authority of the Idaho State Board of Education. Idaho Code § 33-1209.

3. Charles Tacke (Mr. Tacke) holds the following certificates and endorsements issued under the authority of the Idaho State Board of Education:

4. In March 2018, Mr. Tacke resigned from his position as a teacher at Bishop Kelly High School.

5. In April 2018, the Chief Certification Officer for the State of Idaho informed Mr. Tacke that a complaint had been filed alleging that he “[u]sed a school computer to view pornography” and that an investigation would be conducted.
6. As a result of that investigation, but after the application and interview described below, Mr. Tacke stipulated that he had “deliberately viewed pornography on pornographic websites using the Bishop Kelly-issued laptop computer”, and acknowledged that there was sufficient evidence to support a finding of a violation of Idaho Code § 33-1208(1)(j) and Code of Ethics Principle V (“A professional educator entrusted with public funds and property honors that trust with a high level of honesty, accuracy, and responsibility. Unethical conduct includes, but is not limited to: f. Use of school computers to deliberately view or print pornography”). See Stipulation, Case No. 21810, and Consent Order adopting the stipulation dated November 16, 2018, and the accompanying letter of reprimand, available at http://sde.idaho.gov/cert-psc/psc/ethics/files/final-orders/11-2018/Tacke-Charles-Stipulation.pdf

7. In or about July 2018, Mr. Tacke applied for a position with the West Ada School District. In his application, Mr. Tacke answered “Yes” to the question, “Have you ever been referred to the Idaho Professional Standards Commission or any state equivalent?” Where the application prompted for an explanation, Mr. Tacke wrote, “I would like to explain it to the hiring committee face to face.” Mr. Tacke also answered “Yes” to the question, “Have you ever failed to be rehired, been asked to resign a position, resigned to avoid termination, or terminated from employment?” When prompted for an explanation for this question, Mr. Tacke wrote, “I would like to explain it to the hiring committee face to face.”

8. In the application’s experience section, Mr. Tacke listed his most recent, relevant work experience as a teacher at Bishop Kelly High School, and in response to “Reason for Leaving:”, Mr. Tacke wrote, “Felt better to leave than to stay.”

9. On or about July 17, 2018, Mr. Tacke was interviewed for a position by the principal of Meridian Middle School, and was asked about his response “Felt better to leave than to stay.” During that interview, Mr. Tacke had identified that he was having personal struggles with theology and that there were other reasons, but he did not identify that he had viewed pornography or that he was asked to resign in lieu of termination. During or immediately after the
interview, Mr. Tacke was offered a position with Meridian Middle School, subject to a check with his references.

10. The day after Mr. Tacke was offered a position with the West Ada School District, Mr. Tacke visited with the principal of Meridian Middle School, stating he needed to speak with her. That discussion focused on conduct at Bishop Kelly and his interaction with one of his job references, the principal at Bishop Kelly.

11. During this post-interview meeting Mr. Tacke informed the Median Middle School principal that he had gone to Bishop Kelly to watch a basketball game on his computer, but the website he used had pornography on it, and it was not his intent to watch pornography. Mr. Tacke also informed the Meridian Middle School principal that the Bishop Kelly principal had spoken to him about his computer usage.

12. The West Ada School District then hired Mr. Tacke as a certificated employee.

13. At some time, and with Mr. Tacke’s release, the West Ada School District obtained a copy of Mr. Tacke’s personnel file. That personnel file revealed that Mr. Tacke was informed by Bishop Kelly’s principal of the administration’s decision to offer to accept his resignation in lieu of termination for breach of policy.

14. The West Ada School District then began an investigation into Mr. Tacke, but before that investigation was completed Mr. Tacke resigned from the West Ada School District.

COUNT I

15. Mr. Tacke’s conduct or course of conduct willfully violated a code of ethics principle, adopted by the Idaho State Board of Education. Idaho Code § 33-1208(1)(j). Specifically, Mr. Tacke violated Code of Ethics Principle IV (Idaho Admin. Code r. 08.02.02.076.05) (“Principle IV - Professional Integrity. A professional educator exemplifies honesty and integrity in the course of professional practice.”)

REQUEST FOR RELIEF

The Chief Certification Officer requests that the Commission grant the following relief, as permitted under Idaho Code §§ 33-1208 and 33-1209.

ADMINISTRATIVE COMPLAINT - 3
Charles Tacke
1. That if Mr. Tacke does not request a hearing, the Commission impose a two-year fixed suspension from the date of its final order.

2. That if Mr. Tacke requests a hearing, a hearing be conducted before a hearing panel, where the Chief Certification Officer and Mr. Tacke may present evidence concerning the allegations in this Administrative Complaint, to aid the hearing panel in determining whether Mr. Tacke’s certificates should be disciplined and, if so, what discipline should be imposed.

3. Any other relief that would be just under the circumstances.
