FOREWORD

The 1972 state legislature established the Professional Standards Commission. This legislative action combined the Professional Practices Commission, established by the state legislature in 1969, with the Professional Standards Board, an advisory board appointed by the State Board of Education.

The Professional Standards Commission was thereby created in the Department of Education. The Commission consists of 18 constituency members appointed or reappointed for terms of three years. For further detail regarding the establishment and membership of the Professional Standards Commission, see Idaho Code §33-1252.

As outlined in this document, the Commission’s adopted procedures are designed for use by the Commission to provide direction to make recommendations to the State Board of Education in such areas as teacher education, teacher certification and teaching standards.

For further detail regarding the duties and responsibilities of the Professional Standards Commission, see Idaho Code §33-1254 and Idaho Code §33-1258.

For current activities, reports and recommendations of the Professional Standards Commission, visit the PSC website.
PROFESSIONAL STANDARDS COMMISSION: STATUTORY AUTHORITY

“The Commission shall have authority to adopt recognized professional codes and standards of ethics, conduct and professional practices which shall be applicable to teachers in the public schools of the state, and submit the same to the state board of education for its consideration and approval.”

Idaho Code §33-1254

“The professional standards commission may conduct investigations on any signed allegation of unethical conduct of any teacher brought by:

• An individual with a substantial interest in the matter, except a student in an Idaho public school; or
• A local board of trustees.”

Idaho Code §33-1209

“The commission may make recommendations to the state board of education in such areas as teacher education, teacher certification and teaching standards, and such recommendations to the state board of education or to boards of trustees of school districts as, in its judgment, will promote improvement of professional practices and competence of the teaching profession of this state, it being the intent of this act to continually improve the quality of education in the public schools of this state.”

Idaho Code §33-1258
THE PROFESSIONAL STANDARDS COMMISSION

PSC Appointments: The State Board of Education appoints members of the PSC. The PSC generally meets five times annually. Other meetings may be called at the discretion of the chair or by the written request of five or more members.

Officers: There will be a chair and vice-chair elected by the PSC. The PSC chair may appoint a parliamentarian.

Elected Officers: A Nominations Committee consisting of the outgoing members of the PSC will present a list of recommended officers to the PSC. The Nominations Committee may also make recommendations to the PSC chair for the chairs of other committees. Nominations may also be made from the floor by PSC members. The PSC, at its last meeting of the fiscal year, will elect new officers for the following fiscal year.
Generally, at the first meeting of the new fiscal year, an orientation for new members will be conducted, and a parliamentarian may be appointed. At this meeting, the PSC also will review the current Working Plan for the year’s activities. The Leadership Team will oversee implementation and systematic revision of the Working Plan. Any revisions to the Working Plan or development of future Working Plans will be recommended by the Leadership Team and will require a two-thirds vote by PSC members present.

Standing Committees: The PSC will establish standing committees other than the Leadership Team. The chair of the PSC, working with the PSC administrator, will appoint members and chairs of these standing committees. Individuals or organizations wishing to provide agenda items or materials for consideration by the full commission or standing committees, must deliver materials two weeks in advance of meetings. The standing committees of the PSC include

- Executive Committee
- Budget Committee
- Standards Committee
- Authorizations Committee

The PSC chair may also establish ad-hoc committees to address short-term needs or special projects.

**Attendance:** By agreeing to serve on the PSC, it is expected that a member will attend both days of all meetings. If a PSC member cannot attend a committee, PSC and/or a scheduled conference call meeting, he/she will need to inform the committee chair, the PSC administrator and/or PSC chair, and his/her constituency group leader.

**Quorum:** A majority of the PSC members will constitute a quorum. If a PSC member is absent from a meeting, a substitute cannot act as a replacement for the member. A representative of the appointed member—can attend the meeting to provide input but will not be a voting member of the PSC, nor will travel expenses be reimbursed.

**Travel Expenses:** Reasonable travel expenses related to participation of PSC members at scheduled meetings will be reimbursed within State of Idaho guidelines. Refer to **Appendix A:** PSC Member Reimbursement Guidelines.

**Communication:** Communication of the PSC activities is crucial. To guide the actions taken by the PSC and inform constituencies of actions taken, delegates to the PSC are responsible for communication with their sponsoring organizations. PSC members should work with those organizations to determine the best methods for communication. “Talking points” are reviewed and distributed following each regular convening of the PSC to be used as PSC members draft messages to their sponsoring organizations.

He/she must verify enrollment in either individual courses required for the certificate/endorsement or a formal program that leads to certification in the assigned area.

**APPROVAL PROCESS FOR ALTERNATIVE AUTHORIZATIONS**

Local school districts/charter schools may request approval of an alternative authorization for an individual to fill a professional position when he/she does not presently hold an appropriate Idaho educator certificate/endorsement.

1. The alternative authorization request shall be made only after a district/charter has ensured the candidate is qualified to teach in the area of identified need through demonstrated content knowledge. This may be accomplished through a combination of employment experience and education.

2. The PSC and the State Board of Education stress that the alternative authorization should be considered as a means to assist districts with filling professional vacancies with a candidate that wants to earn certification and endorsement, but the emergency provisional authorization is for an emergency situation only and shall not be relied on as a standard hiring practice.

3. To apply for an alternative authorization, the district/charter school or other educational agencies, must submit a completed application packet.

4. Incomplete submitted applications for the current school year that remain incomplete after the June PSC meeting will not be reviewed and will be designated as "not approved-incomplete" by the PSC.

The request must include verification of the individual’s new planned college/university program (traditional route) or proof of enrollment in a non-traditional route (ABCTE or TFA) leading to certification. The traditional plan must be signed by the appropriate college/university official.
   d. A non-refundable check for the required fee amount made payable to the State Department of Education;
   e. If applicable, a new fingerprint card shall be included with the application.

2. The Authorizations Committee will review the alternative authorization requests and vote on the recommendations. The full Commission will review the committee’s final recommendations. The district/charter and individuals for whom the requests were made will be issued letters and/or certificates attesting to the PSC decision.
PROCEDURAL STEPS FOR OBTAINING AN EMERGENCY PROVISIONAL CERTIFICATE

1. The application process for receiving an emergency provisional certificate is initiated when a completed application packet is submitted.

2. The candidate for whom the application is being requested must have a strong content background and at least two years of college training (48 credits).

   e. Verification of the candidate having completed an Idaho background investigation check, as required by Idaho Statute, Section 33-130. If this requirement has not been met at the time of application, a completed fingerprint card and a fee must be submitted, and the background check must be in process prior to the application being reviewed. The application will receive final approval only after the background check has been successfully completed.

6. The Authorizations Committee will review the emergency provisional certificate requests and vote on the recommendations. The full Commission will review the committee’s recommendations and make recommendations to the State Board of Education for consideration. The final approval rests with the State Board of Education. The district/charter and individuals for whom the requests were made will be issued letters and/or certificates attesting to the decision of the State Board of Education.

7. Applications received after the January Professional Standards Commission meeting will not be considered unless it is due to the loss of a staff member, which occurred after January 1.
PROCEDURE FOR PROCESSING A CODE OF ETHICS WRITTEN COMPLAINT

1. According to Idaho Code §33-1209, other than a student of an Idaho public school, a signed allegation of ethical misconduct may be initiated by an Idaho local board of trustees or by an individual who has a substantial interest in the matter.

2. The chief certification officer may also initiate an allegation if public records indicate a person holding an Idaho credential may have been involved in ethical misconduct.

3. Upon receipt of a written and signed allegation of ethical misconduct, the chief certification officer, in conjunction with the deputy attorney general (DAG) and PSC investigative staff, conducts a review of the allegation using established guidelines to determine the appropriate response:
   a. No investigation - The complainant will receive a letter advising them that a case will not be opened.
   b. Open an investigation - The complainant and respondent will be notified in writing and in a timely manner that an investigation will be conducted.

4. The chief certification officer, in conjunction with the DAG, may determine if a formal investigation is necessary based on an assessment of the following:
   a. The allegation is against a certificated person and there is a signed written complaint;
   b. The complainant has exhausted all local district/charter remedies, including appeal to the building principal, superintendent, and board of trustees;
   c. The district/charter has reported the allegations according to the requirements of Idaho Code §33-1208A;
   d. The educator has been arrested (NOTE: An investigation may be opened, but not pursued, until such time as law enforcement/county prosecutor determines not to file formal charges or the courts make a final judgment or sentence.);
   e. The allegation is purported abuse of a student (i.e., physical, sexual, verbal, etc.);
   f. A fingerprint/background check reveals crimes in violation of 33-1208; and/or
   g. The NASDTEC Clearinghouse reports that an educator’s credential has been revoked, suspended, or denied in another state.

5. The chief certification officer, in conjunction with the DAG and PSC staff, may determine a formal investigation is unnecessary if:
a. District/charter remedies, including provisions of a district/charter grievance procedure, have not been exhausted;

b. The complaint is a personnel matter, which should be handled by the local district/charter, superintendent and board of trustees;

c. The complaint involves management style rather than unethical conduct;

d. There is no written allegation or the complainant wishes to remain anonymous; or,

e. The allegation is against a non-certificated employee.

6. The DAG will oversee the investigation. Upon completion of the investigation, the DAG will submit the allegation, plus any additional necessary information, to the Executive Committee of the PSC. It is the responsibility of the Executive Committee to determine if probable cause exists to pursue discipline.

7. The Executive Committee will consider the allegation(s) and all additional relevant information and determine a course of action in one of the following ways:

a. Postpone making a decision pending the receipt of additional information, including a response from the respondent to the allegation(s).

b. Determine that there is no probable cause, in which case the DAG or PSC staff will advise the complainant and respondent in writing of such action.

c. Determine that probable cause exists to support the allegation(s), at which time the PSC will assume jurisdiction and the DAG will advise the respondent in writing of such action. A written administrative complaint detailing the charge(s) will be sent to the respondent by the Chief Certification Officer within 30 days. The written complaint shall be sent by certified mail to the last known address of the respondent.

d. The respondent has 30 days to respond to the charge(s) in writing and to request a hearing. No response from the respondent in the time stipulated constitutes a basis to proceed on default. According to statute, any request for a hearing shall be submitted to the State Superintendent of Public Instruction, who forwards the request to the PSC administrator for action. The hearing will be held within 90 days, unless both parties agree to extend the timeline to hold the hearing. A written notice of hearing will be provided once the parties agree to a hearing date.
e. No PSC member who participated in the determination of probable cause in a given case will serve on the hearing panel.

f. Every effort will be made to ensure due process.

8. The Executive Committee, if it finds probable cause, may propose stipulated discipline for the respondent and the full Commission to consider, as an informal disposition to the case. See generally Idaho Code § 67-5241.

a. If the Executive Committee proposes stipulated discipline, the DAG will develop a stipulation with proposed findings of fact, conclusions of law, and the stipulated discipline, as well as a proposed order. The DAG will then transmit the stipulation and proposed order to the respondent for the respondent’s review and consideration.

b. If the respondent agrees to the stipulation, the respondent will sign the stipulation and return it to the PSC.

c. If the respondent does not agree to the stipulation, the respondent may request a hearing, or the respondent may contact the DAG with proposed revisions to the stipulation for consideration by the Executive Committee. The Executive Committee may consider any proposed revisions, and the DAG will inform the respondent of the Executive Committee’s decision and transmit any revised stipulation prepared by the DAG.

d. Once the respondent agrees to a stipulation, the stipulation will be presented to the PSC for consideration at the next regularly scheduled business meeting, or a special meeting at the chair’s discretion.

e. The PSC will consider the stipulation only as it is presented by the DAG.

f. The PSC may accept, reject, or modify the stipulation. Should the PSC choose to modify the stipulation, the DAG will prepare and transmit a modified stipulation for the respondent’s acceptance or rejection.

9. Pursuant to Idaho Code §33-1209, a hearing will be conducted according to the following guidelines:

a. The chair of the PSC will appoint a panel consisting of a chair, who is a former member of the PSC and has been trained as a hearing panel chair, and two additional educators to hear the charges brought in the administrative complaint, as well as an alternate panel member.

b. Members of the panel shall not be from the same school district/charter as the respondent to the complaint.

c. A majority of the panel will hold a similar position of employment or certification as the respondent.
d. The hearing will be held within the school district/charter in which the respondent teaches, or at such other place deemed most convenient for all parties.

e. All hearings shall be held to ascertain the truth.

f. The respondent may appear in person and may be represented by counsel and may procure, examine, and cross-examine witnesses. If he/she chooses to do so, the respondent may submit, for the consideration of the hearing panel, a statement in writing in lieu of oral testimony. Any such statement will be under oath, and the affiant will be subject to cross-examination.

10. The hearing panel may determine to suspend or revoke the certificate, or the panel may order that reasonable conditions be placed on the certificate or a letter of reprimand be sent to the certificate holder, or if there are not sufficient grounds, the allegation against the certificate holder is dismissed and is so recorded.

11. The final decision of the hearing panel shall be subject to judicial review in district court.

12. The administrative assistant for the PSC administrator will notify the NASDTEC Clearinghouse in a timely manner that a credential has been disciplined.

13. At the conclusion of a case, PSC staff will issue a letter to the complainant to advise that the case has been closed and either:

a. Action was taken and public records are available; or

b. Action was not taken.

If a case ends with a disposition document, PSC staff will make available through the PSC or SDE website the disposition document and any attachments to the disposition document. A disposition document is a final order, a consent order, or some form of an informal disposition (as used in the Idaho Administrative Procedure Act), such as a settlement agreement, stipulation, voluntary surrender, or consent to permanent revocation. If a case is decided upon judicial review, the court’s opinion will accompany the last PSC disposition document. PSC staff will not make available a disposition document that finds in favor of the respondent for all claims or counts, nor will staff make available any Executive Committee decision. For any disposition document, PSC staff should redact the educator’s address, phone number, and email address, along with information that would readily identify a victim.
PROCEDURE FOR REVISING AND ADOPTING INITIAL CERTIFICATION STANDARDS AND ENDORSEMENTS

1. A committee of content professionals will be appointed to review and recommend changes to the endorsements and educator certification standards and submit the proposed revisions to the Standards Committee of the PSC.

2. All proposed changes in state certification standards and endorsements will be submitted to the Standards Committee of the PSC. All reviews should be conducted prior to December 31 of each calendar year. All proposed changes should be submitted to the Standards Committee by the first PSC meeting of each calendar year. Exceptions will be considered by PSC staff.

3. Preliminary recommendations for changes in standards are to be submitted to the Standards Committee for initial review by the first PSC meeting of each calendar year. After initial review, a negotiated rule-making meeting will occur prior to the next PSC meeting in order for feedback to be considered by the Standards Committee. Upon approval by the committee, the recommendation will be forwarded to the full PSC for consideration.

4. In accordance with the Idaho Administrative Procedures Act, the proposed changes approved by the PSC will be forwarded to the State Board of Education for review.

5. Negotiated rulemaking process will be followed for any recommended changes which may include a formal public hearing as provided by the Administrative Procedures Act (APA) process.
EDUCATOR PREPARATION PROGRAM REVIEW

Each educator preparation program in Idaho will undergo a state program approval process that is designed to assure that graduates of that program meet the Idaho standards for beginning teachers and other professional educators, the requirements defined in State Board Rule (08.02.02.100: Rules Governing Uniformity), and the CAEP Standards. In most instances, the approval process will coincide with the CAEP process for educator preparation programs seeking national accreditation.

1. Purpose of State Review

Each educator preparation program that prepares teachers and other educators for certification in Idaho must be reviewed by the PSC. The PSC will make a recommendation concerning approval of programs to the State Board of Education for final approval.

2. State Review Team

The PSC administrator will select the chair of the state review team. The chair of the state review team and the PSC administrator, will assign members of the state review team.

3. Team Training

The importance of the state review process necessitates that all team members be trained to evaluate Idaho teacher preparation programs. The PSC administrator will develop and conduct a training session for team members.

4. Document Room

Each educator preparation program undergoing a state review visit will designate a secured space in a convenient location as a document/evidence room that will be available to both state and CAEP on-site teams. During the on-site visit, arrangements are to be made for the document room to be accessible to team members only.

5. Role of State Review Team

Team members are responsible for assessing evidence to validate the institutional report provided by the educator preparation program.

6. Team Report

The team report will recommend educator preparation programs as Approved, Not Approved, or Conditionally Approved.

7. Institutional Rejoinder
The education preparation program may write a rejoinder to the state review team report. The rejoinder will be sent to the PSC administrator, who will distribute it to the appropriate parties.

8. PSC Action

The PSC will review the state review team report and any education preparation program rejoinder in determining its recommendation to the State Board of Education.

Final approval of the educator preparation program(s) rests with the State Board of Education. Approved educator preparation programs allow institutions to submit an institutional recommendation for certification/endorsements.

A detailed process for Idaho educator preparation program review is specifically defined in the Educator Preparation Program Review Manual.

The standards for evaluating Idaho educator preparation programs are found in the current Idaho Standards for Initial Certification of Professional School Personnel as updated and approved by the State Board of Education. For review purposes, pertinent rubrics accompanying these standards are on file in the office of the SDE, Certification/Professional Standards.

Additional documents are also available for review on the SDE website:

Current CAEP standards can be reviewed on the following CAEP website:
APPENDIX A: PSC MEMBER REIMBURSEMENT GUIDELINES

The PSC reimburses reasonable travel costs associated with participation. The following general guidelines help to ensure that PSC funds are directed to their ultimate goal. Participants are encouraged to use the most cost-effective mode of transportation available given the timeframe, safety of the traveler, baggage being transported, etc. Any variation in excess of the guidelines listed below requires previous approval from the PSC administrator at the SDE.

**Mileage:** The current state rate is reimbursed for travel in personal vehicles for activities associated with participation (round-trip from your home in Idaho). Mileage to/from a function from a home outside Idaho or from a vacation location is only reimbursable up to the normal cost of mileage from your Idaho home. To use your vehicle, you must have current insurance.

**Airfare:** Reasonable coach rates will be reimbursed; first class arrangements are reimbursed at the coach rate. Airfare is reimbursed round-trip from the Idaho town in which your home is located. Airfare to/from the meeting from a home outside Idaho or from a vacation location is only reimbursable up to the normal cost of airfare from your Idaho home. Travel should be scheduled in advance to obtain reasonably priced airfares.

**Entertainment:** Entertainment expenses (e.g., in-room movies, event tickets) are not reimbursable.

**Lodging:** Reasonable standard business-class rooms are allowed. When lodging in Boise on PSC business, please contact PSC staff at the SDE so we can make lodging arrangements for you, in order to direct-bill at government-contract rates.

**Meals:** Meetings with a schedule lasting at least six hours will have a meal provided. Additional meal expenses that are necessary due to travel for the PSC will be reimbursed at the Idaho meal per diem allowance rate listed below. In-state travel per-day meal maximum allowance is $49.00 for a full day (three meals).

APPENDIX B: PARLIAMENTARY PROCEDURE IN PSC MEETINGS

In order to conduct meetings in a fair and orderly manner, the PSC follows modified parliamentary procedure (conducted while members are seated; the chair can participate in debates and voting). A parliamentarian may be appointed to provide advice and guidance during meetings as needed. This is a general guide for members in the process for motions and amendments, which are the most often-used applications of parliamentary procedure in conducting PSC work.

HANDLING MAIN MOTIONS

Step 1: A member addresses the chair.

Step 2: The chair recognizes the member.

Step 3: The member proposes a main motion.
  • Member states, “I move that...”

Step 4: Another member seconds the main motion.

Step 5: The chair states the main motion to the commission
  • This step is called “stating the question.”
  • The chair may also state, “Is there any debate?”
  • The main motion is now the “pending question.”

Step 6: The commission discusses/debates the main motion.
  • The chair can close discussion/debate when there is no further discussion/debate; or
  • A member can move to close the discussion/debate by calling for the question. The member’s motion to close the discussion/debate needs to be seconded and approved by two-thirds vote.

Step 7: The chair takes a voice vote on the main motion.

Step 8: The chair announces the result of the vote on the main motion.
  • A main motion requires a majority affirmative vote to be adopted.
HANDLING AMENDMENTS

Step 1: A member addresses the chair.

Step 2: The chair recognizes the member.

Step 3: The member proposes an amendment.
   - Member states “I move to amend by adding (or changing) the words to...”

Step 4: Another member seconds the amendment.

Step 5: The chair states the main motion with the amendment to the assembly.
   - The chair states, “It is moved and seconded to....”
   - The chair may also state, “Is there any discussion/debate?”

Step 6: The assembly discusses/debates the amendment.

Step 7: The chair takes a voice vote on the amendment.
   - “The question is on amending the main motion by..., so that, if the amendment is adopted, the motion will read...”

Step 8: The chair announces the result of the vote on the amendment.
   - The motion to amend requires a majority affirmative vote to be adopted.
   - If an amendment is NOT adopted, proceed using the original main motion (without the amendment). See Steps 6, 7, and 8 on “Handling Main Motions.”

Step 9: The assembly discusses/debates the main motion as amended.
   - “The question is on the adoption of the main motion as amended that...”

Step 10: The chair takes a voice vote on the main motion as amended.
   - “The question is on the adoption of the main motion as amended that...”

Step 11: The chair announces the result of the vote on the main motion as amended.
   - “The motion as amended is adopted (or lost).”
